Expanding Possibilities

Target Market

Businesses that rely on persuasive communication

Designers needing a **powerful** scanner; up to four times faster than the competition

Professionals that need extras like **auto-feed** from a networkable scanner

Perform

- Scans up to four times faster than other scanners! Fast processor scans photos in as little as 9 seconds

- Scanning at 1200 dots-per-inch optical resolution for quality, professional results

- Scan, color copy, e-mail, fax or file documents electronically at the touch of a button

- Share images with coworkers! Attach easily to your network with the included HP PrecisionScan LAN software

- Copy up to five pages per minute—hands free—with the automatic document feeder (standard on ScanJet 6350C only)

- Work on special projects using business extras like the 35mm slide adapter or optional 5 x 5 inch transparency adapter (transparency adapter standard on ScanJet 6350C only)

- Connect the way you want! SCSI and USB compatible

Fast, Professional Scanning

Perfect for scanning at work, the HP ScanJet 6300C and 6350C Professional Series color scanners are up to four times faster than the competition.

Fast features get the job done! With its powerful processor, these scanners scan photos in as little as 9 seconds. Plus, the automatic document feeder (on the ScanJet 6350C) lets you copy up to five pages per minute—hands free!

Save time with the push of a button. Launch, scan, e-mail or fax programs at the push of a button. You can also push a button to make color copies or file documents electronically, eliminating the additional steps required by comparably priced scanners.

Business extras. Connect your scanner to your Microsoft® network with the included HP PrecisionScan LAN software. When the project calls for it, you'll be able to scan 35mm slides with the included slide adapter.

- Persuasive communicators
- Speed-oriented
- Needs business extras
