

## HP Compaq 8200 Elite All-in-One PC

Manage better. Control More.

**An elite, performance enhanced PC designed for business. Includes new levels of performance and efficiency in a stable, reliable business PC platform.**

HP recommends Windows® 7.

---

### Elite: THE business platform

The HP Compaq 8200 Elite Series incorporates the newest developments in business PC technology for corporate applications. The Elite Series delivers the features and capabilities businesses look for in a business PC, including stability and lifecycle assurance, security and remote management technologies and solutions that are integral to IT managers.

### Superior business PC technology

You'll find the latest innovations combined with HP's engineering excellence and new BIOS designs make the HP Compaq 8200 Elite Series the right choice for you today and tomorrow. HP's elite business PC delivers up to 40 percent better performance <sup>1</sup> and 15 percent faster hard drive access <sup>1</sup>. A range of graphics solutions — including a new discrete graphics option on the Ultra-slim Desktop — are available, offering up to 70 percent better graphics performance <sup>1</sup>. Featuring Intel® 2nd Generation Core™ processors which provide hardware-based remote management technologies that enable a stable, secure and reliable IT infrastructure.; The included HP ProtectTools™ Security Suite <sup>2</sup> helps provide protection for your PCs and verifies they do not become points of vulnerability. HP ProtectTools™ allows you to adopt only the modules that meet your security needs.

### Efficiency and the environment

HP has designed this product with materials free of brominated flame retardants <sup>3</sup> (BFRs) and polyvinyl chloride <sup>3</sup> (PVC) to support your environmental initiatives. Reduce your impact on the environment and help lower operating costs with ENERGY STAR® qualified models certified as EPEAT® Gold. Easily optimize the PC's power settings with HP's exclusive Power Assistant <sup>4</sup> application. You're in control with HP Elite Series' energy efficient options. With HP's expertise in PC design and architecture, the result is our highest performing and most efficient line of business PCs to date with up to 50% greater energy efficiency.<sup>5</sup>

### Stable, useful design

The HP Elite Series is capable of being deployed in just about any business or institutional situation. Choose the Ultra-Slim Desktop with flexible mounting options, Small Form Factor, Microtower, Convertible Minitower for the most expansion flexibility or the brand new All-in-One for the most space-saving solution. A cornerstone of HP business class PCs is a long product lifecycle. When your deployments are scheduled over a lengthy period of time it's good to know you'll be able to get the same chassis over multiple deployments. Plan for a minimum of 15 months availability for the HP Compaq 8200 Elite Series.

<sup>1</sup> PCMark05 performance benchmark and comparison testing performed on a similarly configured HP Compaq 8000 Elite SFF and HP Compaq 8200 Elite SFF. Performance profiles: PCMark05 done with the “as shipped” defaults. Actual results may vary based on system configuration and performance will vary over time depending on software installed.

<sup>2</sup> HP ProtectTools requires Microsoft Windows.

<sup>3</sup> HP Business Desktop PCs are brominated flame retardant and polyvinyl chloride free (BFR/PVC-free)

<sup>4</sup> HP Power Assistant may not be available in all regions. Use of this application is not required. Power calculations and cost calculations are estimates. Results will vary based on variables, which include information provided by the user, time PC is in different power states (on, standby, hibernate, off), time PC is on battery or AC, hardware configuration, variable electricity rates and utilities provider. HP advises customers to use information reported by HP Power Assistant for reference only and to validate impact in their environment. Environmental calculations were based on U.S. EPA eGrid 2007 data found at [www.epa.gov/egrid/](http://www.epa.gov/egrid/). Regional results will vary. Requires Microsoft Windows.

<sup>5</sup> Power benchmark and comparison testing performed on a similarly configured HP Compaq dc7900 SFF and HP Compaq 8200 Elite SFF. Power profiles: power measurements were done with the “as shipped” defaults. Power measurements for idle, off, & sleep/standby was conducted per ENERGY STAR guidelines. Actual results may vary based on system configuration and performance will vary over time depending on software installed.

## Accessories and Services

HP Virtual Rooms (up to 15 people in one meeting) license

Connect from anywhere with Internet access to host team meetings, customer briefings, and training events in one convenient online location.

Product number: WF723A

HP USB 2-Button Laser Mouse

The HP USB Laser Mouse provides the speed and accuracy of laser tracking in a simple, elegant design. It records motion precisely on a variety of surfaces using the latest laser sensing technology.

Product number: GW405AA

HP Smart Card CCID Keyboard

Boost your security, simplify access procedures and reduce the costs associated with managing networks by preventing unauthorized access to your computers and networks using smartcard technology with the HP Smart Card CCID Keyboard.

Product number: BV813AA

HP 4-GB PC3-10600 (DDR3-1333 MHz) SODIMM

Maximize your Business PC performance with HP Memory. Upgrading your memory is a cost-effective way to boost your system performance without having to upgrade your processor.

Product number: VH641AA

HP 1TB 7200rpm SATA (NCQ/Smart IV) 6Gbp/s Hard Drive

HP Serial ATA Hard Drives maximize the performance of HP Business PCs by providing the technologies to meet your increasing storage demands with high-capacity drives offering superior reliability and performance. HP Serial ATA 6.0-Gb/s Hard Drives offer data transfer rates of up to 6 Gb per second doubling your interface speed over SATA 1.5-Gb/s Hard Drives.

Product number: QK555AA

4-year Next Business Day Onsite

Receive 4 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.

Product number: U7897E
