

HP ProCurve 1810G Switch Series

Flexible, secure, easy-to-install Gigabit connectivity

For today's high-bandwidth applications, the Web-managed HP ProCurve 1810G Switch Series provides simple, secure, and easy-to-manage plug-and-play Gigabit connectivity to the desktop.

Feature highlights

Deployment flexibility

- Choice of 8- or 24-port models with small footprint and fanless design for quiet operation
- Easy, flexible mounting options on walls, ceilings, table tops, and under tables
- Kensington lock port for theft prevention

Easy to configure and manage

- Plug and play for basic network connectivity
- Intuitive Web interface for easy management and control

- Simple network security that protects your critical data against malicious attacks and offers peace of mind
- Integration with HP ProCurve Manager platform

Energy efficiency

- Physical ports are automatically put in low power mode when not in use
- Easily turn on/off LEDs—view them when you need to

ProCurve Lifetime Warranty♦

- Fan and power supply included
- Next-business-day advance replacement
- No-cost phone and e-mail support

8-port model can be powered using Power over Ethernet, enabling flexible placement
