Target Market

Small-office or home-office users who need to scan **negatives, slides or transparencies**

Scanner users seeking **high-quality results** with 1200-dpi optical resolution and 42-bit color

Productivity-minded communicators who need **time-saving scanner features** at the touch of a button

Convenience, Creativity And Control

Whether you need to work on creative projects, or manage and store documents and images, the HP ScanJet 5370C color scanner makes it easy. A convenient top-lit, active transparency adapter makes scanning your negatives, slides and transparencies a breeze. HP's exclusive PrecisionScan scanning software makes image manipulation and OCR projects a snap!

Create and share with ease. Ideal for the photo enthusiast, the HP ScanJet 5370C color scanner comes equipped with a top-lit, active transparency adapter—perfect for scanning multiple negatives and 35-mm slides or transparencies. In no time you'll be archiving and sharing your favorite memories.

High-quality convenience. When you're ready to make your job easier, the HP ScanJet 5370C color scanner is for you! HP's one-touch front-panel scan, copy, e-mail and fax buttons launch any project. And with 1200 dots-per-inch optical resolution and 42-bit color, all those projects will have brilliant, photo-quality color.

Professional features plus versatility. When you're looking for versatility, support for USB and parallel connectivity along with support for a wide range of operating systems is a must. The HP ScanJet 5370C color scanner, with its PC and Mac compatibility, meets your needs! Plus, HP's exclusive software is easy to use without lacking power. It lets you learn as you go, giving you just the amount of help you choose. Need even more convenience? Attach the optional 25-page automatic document feeder for quick scanning of your multi-page projects.

- Add brilliant photo-quality color to all your projects—1200 dots-per-inch optical resolution and 42-bit color for the most photo-realistic colors
- Scan multiple negative strips or 35-mm slides and 5 x 5-inch transparencies with included top-lit active transparency adapter
- Scan, color copy, e-mail and fax buttons launch projects and save you steps
- Edit images in no time, create Web pages and post images online with included Corel Print Office 2000, Boomerang Internet DesignShop and HP's Scan-to-Web software
- No more retyping! Powerful Optical Character Recognition (OCR) software even recognizes foreign languages
- Get color copies at your desk when paired with your color printer
- Scan directly to your e-mail or fax application—even multiple pages!
- Connect the way you want with parallel and USB ports
- Supports the operating systems you use: Microsoft Windows 95, 98, NT 4.0, Windows 2000 Professional and Mac OS 8.5 and above
- Scan multiple-page documents with optional automatic document feeder

HP ScanJet 5370C

- Creative communicator
- Quality driven
- Productivity minded
